EasyRoute CNC Router SKU Scheme

http://am.co.za/router/easy
072 222 2211 / 060 600 6000

Range		Size	Gantry Optional	Motor Optional	Table	Heads Optional	Extra Optional		Spindle	Package Optional
R		**1325**	(omitted)	(omitted)	**C**	(omitted)	(omitted)		**30**	**L**
Normal Range		**1300 x 2500**	**Standard 300mm 380V**	**Stepper**	**Aluminium T-Slot Clamping**	Single Head Standard Machine	No Extra		**3kW 220V** Spindle	Only Router Itself
R2		**2030**	**L2**	**S**	**K**	**2**	**D**		**30 40 50**	(omitted)
Heavy Duty Range *(Size not 50mm+)* Not available on Lite Gantry (**L** , **L2**)		**2050 x 3050**	**Lite 200mm 220V**	**Servo Motors** (need 380V) Omitted when spindle is 9kW/12kW ATC Spindle (**90** / **120**)	**PVC Vacuum** with Clamp (Cheaper)	Install **One Additional** Head	Install 5+4 Drilling Head 		**3kW 4kW 5kW 380V 100mm** Spindle	**Full Package** Include: **Dust Collector** for **C/K/V** Table **Vacuum Pump** for K/V Table
		2040	**L**		**V**	**3**			**45 55 65**	
Except Lite Gantry, all other models with rotary attachment port – to replace X-axis and machine cylinder object. Most options are fixed and only available with new machine manufactured in China. Only Spindle Option, between ■ ■ can be changed locally.	-	**2050 x 4000** New Router range are carefully design for SA market with extend gantry to cope with 2050mm wide Perspex	**Lite 200mm 380V**		**Bakelite Vacuum** with Clamp (More accurate)	Install **Two Additional** Head Only **2030/2040** able to install total 3 heads	Not available with Lite Gantry (L/L2) Not available with Water Table (W)	/	**4.5kW 5.5kW 6.5kW 380V 125mm** High Torque Spindle	
			Z4		**W**				**75**	**V**
			Raised 400mm 380V, for Supawood Only		**Water-Cooling** Water table only have Standard 300mm Gantry				**7.5kW 380V 125mm** High Torque Low RPM Spindle (Specially for Aluminium)	Only for **K/V** Table With **Vacuum Pump**
			Z6			Additional Head Not available with Lite Gantry (L/L2) Not available with Water Table (W)				
			Raised 600mm 380V, for Foam Only							
			Z8						**90 120**	
			Raised 800mm 380V, for Foam Only						**9kW/12kW Automatic Tool Change Spindle**
