PRINTING METHOND: CAD (Computer Aided Design)-Cut printing is a material, by piece, an then assembled in the garment itself and sealed with the use of a heat press machine.

Printable Vinyl - are variants of heat transferable vinyls that allows you use of different colors for your design, by simply printing on its surface, producing a very precise image of your vision.

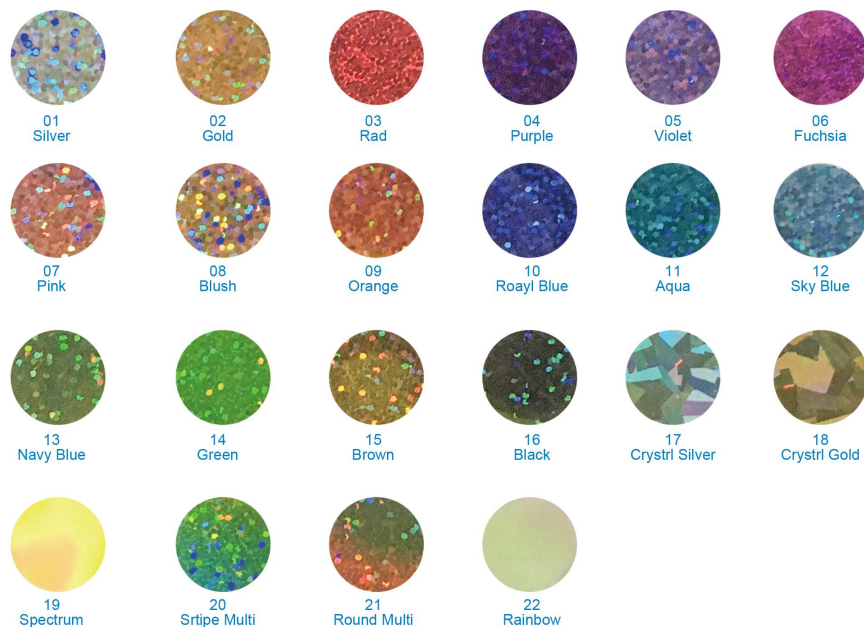

Print your vector designs not only in t-shirts but on other textile such as Umbrella, Cap, Loot Bags, String bags, etc.

- ✓ High Quality
- ✓ Easy to Weed
- ✓ Easy to Peel
- ✓ Glossy Finished
- ✓ Color Vibrancy
